We'd like to add our Defense Team LC Ms Lindsay Pickell to the San Diego embark opportunity.

Combined with the Norfolk trip on 22 Aug, it will give her a very solid foundation on Navy communities/capabilities on both coasts.

Best and v/r,

Senate MLAs, please let me know if there is interest in a 30AUG2016 embark on the USS America (LHA-6). It departs San Diego and transits to Los Angeles. A single day off the coast of California, not an overnight. The basics include: Underway from San Diego, pull into Los Angeles for Fleet week the same day. Expect 1 night in San Diego and possibly one night in LA based on the transit time.

It's a great opportunity for an embark and to tour an amphib that is uniquely aviation oriented in its configuration. I am still waiting on details regarding any expected operations (low likelihood) but I expect there will be a few assets on board staged for Fleet week tours.

Best Regards,
